

# TIFFANY KAWAMURA

Mesa, AZ 85204 ♦ (808) 205-4826 ♦ tkawamura02@gmail.com ♦ linkedin.com/in/tiffanykawamura/ ♦ github.com/Tkawamura02

Maintained a cumulative (3.6 GPA) with 3+ years of experience designing, enhancing, and developing technical projects ranging from websites to mobile applications. Looking to join a multi-disciplinary team of software developers or engineers in a highly professional and passionate business to utilize my broad educational background and thrive!

## HOBBIES

Dog Training  
Gardening  
Shopping  
Violin

Coding  
Painting  
Drawing  
Flute  
Research

Reading  
Language Learning  
Sewing  
Piano

## TECHNICAL SKILLS

JavaScript  
Python  
Objective – C  
Bootstrap  
Operating Systems  
Docker

HTML  
Java  
TypeScript  
SQL  
Data Structures and Algorithms  
Object Oriented Programming

CSS  
C++  
Vue  
Debugging  
Git & GitHub  
IDE (VS Code, Eclipse, and IntelliJ)

## EXPERIENCE

### Arizona State University | Hybrid

2023 (Current)

#### Software Engineer Team Lead

- Stacks include Python (Django, FastAPI), JavaScript/TypeScript (VueJS, Nuxt, Express, Colyseus), Git, Docker, PostgreSQL, Redis, and Elasticsearch
- Design, maintain, and develop functional and intuitive user interfaces and data visualizations alongside robust and scalable backend web services with software engineering best practices in mind

### NASA | Remote

2023

#### L'SPACE Deputy Project Manager of Resources (Student)

- Unpaid learning opportunity offered by NASA L'SPACE Academy which is a student workforce development program
- Ensured all members of the programmatic sub-team were working together effectively while fulfilling the requirements and managing risks
- Ensured costs were allocated appropriately and the timelines for mission phases are realistic, and risks are being tracked and mitigated

### Girls Who Code | Remote

2023

#### Self-Paced Program (SPP) Advisor

- Co-advise and support five cohorts of 50-60 high school girls and non-binary students through completion of a Self-Paced Summer Program by maintaining an exciting, engaging, and accessible virtual environment

- Review student project submissions (ie. Cybersecurity, Web Development, and Data Science) and provide them with supportive, constructive comments and feedback

### ASU Global Tech Program | Remote

2023

Web Development Certification

### 247ERICPOINTCOM | Remote

2022

Software Developer Intern

- Exposure of HTML, CSS, and JavaScript while enhancing general coding knowledge
- Creating wireframes for different websites and mobile applications
- Design or re-design UX/UI websites of mobile apps using frameworks to create wireframes and mockups, prior to developing a full design and functionality specification

### ASU Global Tech Program | Remote

2022

Data Analytics Certification

### Maricopa County Tech Accelerator Program | Remote

2022

Full Stack Web Development Certification

### Arizona State University | In-Person

2020-2023

Bachelor of Science in Biomedical Sciences | Minor: Applied Computing | Certificate: Energy and Sustainability

## AWARDS

- Perfect Attendance Award at Corona del Sol High School (2016-2020)
- Earned Obama Scholarship for full ride at Arizona State University (2020)
- Earned Data Analytics Certification at Arizona State University (2022)
- Earned Full Stack Web Development Certification at Tech Talent South (2022)
- Dean's List at Arizona State University (2020-2023)
- Earned Web Development Certification at Arizona State University (2023)

Description: Ending with a bang with my best friends!
